

A photograph showing two model cars. The larger one is a wooden model of a car, possibly a Volkswagen Beetle, with a light brown finish. It has a boxy shape with a large windshield and a prominent front grille. The smaller one is a metal model of a car, possibly a Volkswagen Beetle, with a blue-grey finish. It has a more rounded shape with a smaller windshield and a more defined front grille. Both models are positioned on a plain white surface. The wooden model is in the background, and the metal model is in the foreground. The website address 'www.moon-s.de' is visible in the bottom right corner, along with a logo featuring a stylized face and the word 'moon'.

The figure displays 16 monthly calendars for the year 2019, arranged in a 4x4 grid. Each calendar shows the days of the month with the day of the week (Mo, Di, Mi, Do, Fr, Sa, So) and the date. The months are arranged in a 4x4 grid: January, February, März, April; Mai, Juni, Juli, August; September, Oktober, November, Dezember. The calendars are color-coded by month: January (light blue), February (light orange), März (light green), April (light red), Mai (light purple), Juni (light yellow), Juli (light blue), August (light orange), September (light green), Oktober (light red), November (light purple), and Dezember (light yellow).
